

LCD All-In-One Multimedia PC/HDTV/Digital Display DEFINING CONVERGENCE

It's about Style. It's about Power. It's about time...

Convergence has finally arrived. The most elegant union of computing power and high definition brilliance.

The Tek Panel brings it all together in one sleek design.

Truly, the Best of Both Worlds...

Featuring a high-end personal computer coupled with a HDTV-ready, wide-screen TFT/LCD display (up to 46" diagonal), the Tek Panel has it all, allowing you to do it all with unprecedented computing power and display brilliance.
